

**Alumni Association Meeting  
June 17, 2009  
Minutes**

Attendance: Denise Padavano, Tony Rahil, Matt Giove, Tracy Borden, Brian Woolner, Charley Haas, Jessica Milner

Jessica Milner, a travel consultant and an alumni, spoke about an alumni cruise that has been scheduled for October 9 to 14, 2010. The ship is for more than just alumni, but cabins have been reserved for Eastern Alumni members and their families. Cost varies, leaves from Bayonne, NJ and a deposit is required by October 9, 2009 with a final payment due July 31, 2010.

Jessica is supposed to get us a PDF file so that Denise can post to facebook and to the Alumni site. Jessica's contact information is 609-941-9105, and she can answer any questions or book a reservation.

Graduation update: Flowers have been priced out and will be sold at \$10 per bouquet. Water has been ordered and will be sold at \$1 a bottle. Matt will bring coolers.

The Executive Board voted to open the bank account at TD Bank. A memo will be created for the master file.

We discussed that we are sanctioned by the Board of Education and there is really no need for us to fall under the EEF. We need to look at by-laws to be sure the EEF wording is taken out. If it is there, we need to vote to change the by-laws to get rid of those words.

We need a statement from John Palm for the legal services.

We need receipts or invoices for all of the items we buy to keep in the master file.

Green Lei will provide the flowers for graduation and we will receive an invoice so we can pay once the graduation is complete.

The water is being purchased using a contact from Mrs. Bolger. Any leftover water will be purchased for use with Interact for next school year. We will receive an invoice to pay for the water used.

Discussed getting a second banner made. Brian tried to go to the Marlton store, however they were closed. He had a paper one made at Kinko's to use at the graduation.

Denise will setup Pay Pal for the website now that we have the bank account setup.

Next meeting, July 8, 2009. We thought we would do something more casual and have the meeting at Denise's house around the pool.

Meeting adjourned 8:05 pm.

Respectfully submitted: Denise Padavano

Discussed having a BBQ somewhere in the Voorhees area. Dates suggested were July 26 and August 2. Most people agreed July 26 was the best date.

Graduation is scheduled for Monday, June 22 and we should have a table there. Discussed the sale of flowers and food. After the meeting, Tracy asked Dr. Mellaby about selling flowers and food. He approved the flowers, but not the food. Tony spoke with him and he agreed to allow us to sell water.

Tracy will open the bank account at TD Bank. Armand gave her the paperwork to get started.

Discussed PayPal on the web site. Need to have the bank account in order to have this on the site.

Memberships: We had 3 members pay at the Taylor's event (Jordon Hicks, Mike Esphahani and Adam Esphahani). Currently have 450 members on the Alumni website and 1700 on facebook.

Denise will post on Facebook looking for "Class Coordinators" to be designated on [www.easternalumni.org](http://www.easternalumni.org) so that we have one or two contacts per class who can help us get the word out about the alumni organization and so that members of their class see a familiar name when requests are made about the alumni organization.

Next meeting scheduled for June 17, 2009.

With no further business, meeting was adjourned at 8:25 pm

Respectfully submitted: Denise Padavano
