

Alumni Meeting - July 8, 2009

Attendees: Tracy, Matt, Armand, Brian, Denise

Shoprite Florist in Berlin (3.33/bunch), perhaps look at this for next year or shop around. Order about 75.

Water went over well, we should do this again.

Fundraising ideas from Armand will be brought up at a future meeting.

Programs with TD Bank – fundraising ½ of 1% of those who sign up under the alumni association we get their annual percentage free. At least 50 people. Post on Website and get them signed up, no cost! Prospect mortgage waives application fee. Donate money to us for every mortgage, as well as High Point (Jim Grosso). Can also do Liberty Mutual. Credit Restoration company also – we would be the sponsor. Armand will bring a list to the September meeting. Looking at October 24, 7-11 pm costume party

Wrote up Corporate Resolutions.

Denise will look into River Sharks fundraiser night for later in the summer. {Note: she tried to get information however, no one ever called back}

Costume party around Halloween at the school for the alumni. Ask around about a DJ or bands that would play. Bands who used to play “Reunite”. Need to look into using one of the gyms at the school. {Note: Got good response when asked in the facebook group. About 7 bands would like to participate}

Social Media – ways to try to get out there. Should be something on Channel 19 announcing the website.

Send another message out about class coordinator to get them to register on the official site.

Discussed filling out the form that Tracy got from John Palm. Brian will work with Tony to get this form filled out.

Insurance – Dr Melleby said we are sanctioned, but we should look at getting insurance from Hardenberg. Without having insurance the officers are not protected, however, we are not at risk at this point, so we will table the issue at this point until we see the need to have insurance.

If we decide to do something on the premises of the school, hook onto another event so the custodians will already be there.

September 25 game alumni football night – 6:00 tour of the high school, honor at half time

August 19 next meeting, Denise’s house

Meeting adjourned 8:50
